

For Immediate Release

Genetec named one of Montreal's Top Employers for 2013

For the 7th consecutive year, Genetec is chosen as a top place to work in Montreal

MONTREAL, CANADA, February 7, 2013 - [Genetec™](#), a pioneer in the physical security industry and a leading provider of world-class unified IP security solutions, is proud to announce that it has been recognized as one of Montreal's Top Employers by the editors of Mediacorp Canada Inc.

Genetec's candidacy was retained for its progressive and forward-thinking programs and for leading the industry in offering an exceptional place to work. Genetec employees benefit from an array of social advantages, including flexible hours, a generous vacation and time-off policy, comprehensive group insurance coverage, a retirement savings plan, an employee Bistro, an attractive employee referral program, as well as a fully-equipped games room. As part of Genetec's investment in its employees' health and wellness, the company also provides an employee gym with an on-site personal trainer, fresh fruit on a regular basis, seasonal health and wellness workshops, and on-site flu vaccinations. The company also invests heavily in next-generation talent through its comprehensive intern program, while also providing employees with ample opportunities for growth and advancement through its training and career development programs.

"One of our continued goals at Genetec is to provide an exceptional work environment that allows for our people to thrive", says Jill Ram, Vice-President of Human Resources for Genetec. "Being named one of Montreal's top employers for the seventh year in a row is something we are very proud of because we remain focused on our investment in our employees while continuing to define Genetec as a global leader in our industry."

Now entering its eighth year, Montreal's Top Employers is an annual competition organized by the editors of Canada's Top 100 Employers. This special designation recognizes the Montreal-area employers that lead their industries in offering exceptional places to work. Employers are evaluated on criteria including: physical workspace, work atmosphere and social, health, financial and family benefits, vacation and time off, employee communications, performance management, training and skills development and community involvement.

Genetec continues to experience rapid growth across the globe with an expansion rate of 30% in the past year alone. The company's local offices, located in the Montreal Technoparc, now take up two separate buildings. Genetec is currently conducting a recruitment campaign to add skilled and motivated employees to its team. To view available career opportunities, please visit: www.genetec.com.

About Genetec

Genetec is a pioneer in the physical security and public safety industry and a global provider of world-class IP license plate recognition (LPR), video surveillance and access control solutions to markets such as transportation, education, retail, gaming, government and more. With sales offices and partnerships around the world, Genetec has established itself as the leader in innovative networked solutions by employing a high level of flexibility and forward-thinking principles into the development of its core technology and business solutions. Genetec's corporate culture is an extension of these very same principles, encouraging a dynamic and innovative workforce that is dedicated to the development of cutting-edge solutions and to exceptional customer care.
