

LAST UPDATE: 12-Aug-24

VERSION: 0.3

Supported Information: Yes Supported
 Yes (x) Supported but requires the minimum firmware specified in parenthesis
 No Not supported
 N/A Functionality or information not available yet
 via GW* Gateway needed to be supported
 via Cntrl* Controller needed to be supported

*Additional information: [Security Center SaaS Device Compatibility Guidelines document for specific model considerations, including limitations.](#)

[Security Center SaaS Web help \(including links to video and access control device configuration/integration guidelines\)](#)
